Product Discontinuance Notification (PDN) Update

Subject: Notice of Last Time Buy and Manufacture Discontinuance of 5087B Wideband Distribution Amplifier

Microsemi® (formerly Symmetricom®) offers a last time buy prior to the discontinuance of the items listed below in Table 1. Unless stated otherwise in your contract, last time buy orders must be received by February 1, 2018: please note that there are very limited quantities available of these products and we will be able to fulfill orders only while supplies last. The products listed below have no direct replacement.

If your product is not currently covered under a Microsemi service and support contract, please contact Microsemi immediately to obtain contract coverage. Last time buy for service and support contracts is April 1, 2018 and may be purchased to cover the product up to Feb. 1, 2021.

Table 1

Part number	Description	Alternative	Last Time Order for product	MD	Last Ship Date and last order date for Service Contracts	EOL
5087B-C001	Wideband Distribution Amplifier	none	Feb. 1, 2018	Feb. 1, 2018	April 1, 2018	Feb. 1, 2021

Definitions

Manufacture Discontinuance (MD): MD means product will no longer be manufactured or available for sale beginning with the date specified above.

Last Time Order Date: Orders for this product must be received by this date.

End of Life: EOL means product will no longer be repaired or serviced except if under an extended coverage service contract.

Obsolescence Notice

Repair services will be available on a repair or replacement basis during the warranty/contract period. In the event of parts or component obsolescence, repairs will be made on a best efforts basis until the end of life. All other service options (telephone technical support, training, etc.) are available from Microsemi Frequency and Time Division's service and support organization on a contract or case-by-case basis. Interested customers should contact the Microsemi Frequency and Time Division to check a product's eligibility for services and any applicable terms.

If you have any questions regarding this letter or would like to inquire about other product support services (e.g. Installation, Telephone Technical Support, Maintenance, Training, etc.) please contact our Customer Assistance Center at 1-888-367-7966 (Toll Free) or 1-408-428-7907, your Sales Representative, or our website :

Obsolescence Notice

Microsemi makes no warranty, representation, or guarantee regarding the information contained herein or the suitability of its products and services for any particular purpose, nor does Microsemi assume any liability whatsoever arising out of the application or use of any product or circuit. The products sold hereunder and any other products sold by Microsemi have been subject to limited testing and should not be used in conjunction with mission-critical equipment or applications. Any performance specifications are believed to be reliable but are not verified, and Buyer must conduct and complete all performance and other testing of the products, alone and together with, or installed in, any end-products. Buyer shall not rely on any data and performance specifications or parameters provided by Microsemi. It is the Buyer's responsibility to independently determine suitability of any products and to test and verify the same. The information provided by Microsemi hereunder is provided "as is, where is" and with all faults, and the entire risk associated with such information is entirely with the Buyer. Microsemi does not grant, explicitly or implicitly, to any party any patent rights, licenses, or any other IP rights, whether with regard to such information itself or anything described by such information. Information provided in this document is proprietary to Microsemi, and Microsemi reserves the right to make any changes to the information in this document or to any products and services at any time without notice.
